### **Statement - Issued on Monday 9th March at 4pm**

The Golfing Union of Ireland, Irish Ladies Golf Union and the Confederation of Golf in Ireland ask that all golf clubs note, act upon and continually monitor the advice and guidance issued by the Health Service Executive (Republic of Ireland) and the National Health Service (Northern Ireland) in relation to the current coronavirus (COVID-19) outbreak.

It is important that we all work together, following the advice of experts, in controlling the spread of COVID-19 infection.
