

Dear member,

The Gardaí have been in contact with us on foot of complaints they received regarding members of our Club who are in breach of Government Legislation surrounding return to golf. They have reiterated the law around members observing the 5km travel limit and also alluded to age restriction recommendations. They have further intimated that they will be setting up checkpoints to enforce this at the entrance to our Club. Consequently we ask all members affected to review their bookings in light of the above.

We very much sympathise with any member affected and hope you appreciate that there is an obligation on us to ensure that golf is conducted in a safe manner following all protocols. We will communicate with you in advance of Phase 2 (8<sup>th</sup> June) when hopefully we can dispense some better news.

Yours sincerely,

Governing Body
